So why pray the rosary?

One reason the Blessed Mother asked us to pray the rosary might be because it can benefit anyone at any stage of the spiritual life from beginners to advanced. The "Catechism of the Catholic Church" teaches about various types of prayer including vocal prayer, meditation and contemplation. The rosary is a vocal prayer, a meditation and can lead to contemplation as Pope John Paul II mentioned in his encyclical Rosary of the Virgin Mary. Here is a quote from that encyclical:

"A path of contemplation ... But the most important reason for strongly encouraging the practice of the Rosary is that it represents a most effective means of fostering among the faithful that commitment to the contemplation of the Christian mystery which I have proposed in the Apostolic Letter Novo Millenio Ineunte as a genuine 'training in holiness': 'What is needed is a Christian life distinguished above all in the art of prayer'. Inasmuch as contemporary culture, even amid so many indications to the contrary, has witnessed the flowering of a new call for spirituality, due also to the influence of other religions, it is more urgent than ever that our Christian communities should become 'genuine schools of prayer'. The Rosary belongs among the finest and most praiseworthy traditions of Christian contemplation."
