If you have never attended one of our classes you may wonder what happens. We start gathering at 7:00 PM with snacks, coffee, tea and water. Class is opened with music and a short prayer, then we go over the readings for the next Sunday, commentaries on those readings and then discussions. The class ends with prayer about 9:00 PM. If this sounds like something you might enjoy, come and give us a try. We usually have a group of about 10 that that enjoy getting a preview of the readings with interpretations from various theologians, and so get a deeper understanding of them. This class has been meeting for over 10 years.
